

# 200 Week SMA Portfolio Quarterly Review

---

Executed by: SAMMY TORTORELLA  
Location: ORRVILLE, OH  
Quarter: 1-2026

*The 200-Week SMA Portfolio Index is a disciplined, long-term capital allocation system designed to outperform SPY by systematically buying quality assets during long-term drawdowns and trimming exposure during statistically extreme periods, with a target CAGR of 11–15% over a 5-10 year horizon.*

## TABLE OF CONTENTS

|                               |     |
|-------------------------------|-----|
