

200 Week SMA Portfolio Quarterly Review

Executed by: SAMMY TORTORELLA
Location: PITTSBURGH, PA
Quarter: 2-2026

The 200-Week SMA Portfolio Index is a disciplined, long-term capital allocation system designed to outperform SPY by systematically buying quality assets during long-term drawdowns and trimming exposure during statistically extreme periods, with a target CAGR of 11–15% over a 5-10 year horizon.
